## President's Message

*Nameeta Dookeran, MD*  
*June 6, 2018*

Dear WCMS colleagues,

I look forward to seeing many of you tonight at our Annual Waukesha County Meeting being held for the first time at Oconomowoc Lake Club, a beautiful venue.

You will have the opportunity to meet your incoming President, Dr. Jon Brodie and many Board members, in addition to key leaders at the state level of the medical society whom we've invited to join us.

It has been an honor and a privilege to serve as your County Medical Society President this past year. As many of you are aware, our physician leaders in Waukesha County Medical Society in particular are very involved at the state level and on the national level in policy and advocacy work, as WMS and AMA delegates and committee/task force members. While I will be passing on the WCMS Presidency baton, I will be staying involved with our other county leaders in such advocacy work. If you want to explore greater involvement at the local, state or national level, or have an issue that you'd like us to connect you with key point persons on, please do not hesitate to reach out to any of our WCMS leaders, myself included. We love connecting our members to the resources that are at our disposal.

Warm regards,  
Nameeta Dookeran

## Four Part Addiction Medicine Webinar Series Begins June 20

The Wisconsin Society of Addiction Medicine has created a four-part webinar series for primary care providers focused on treatment of substance use disorders. Funded through a grant by the Wisconsin Medical Society Foundation, the series begins on June 20 at 5:30 p.m. with "Suboxone 2.0: Beyond the Basics."

Additional webinars are scheduled in July, August and October. Each webinar is one hour and will be presented in-person at Meriter Hospital in Madison or on-demand following the live program.

All sessions are complimentary and have been approved for continuing medical education credit, but registration is required. Details and registration information are [available online](#).
