President's Message

Tracy McCall, MD

Dear Colleagues,

I am grateful for the opportunity to serve the physicians of Waukesha County as president of our society over the past year.

Please join me for the WCMS Annual Membership Meeting and Dinner at the Golden Mast on Okauchee Lake. The event will take place on June 1st, and will include our annual election of officers. We welcome incoming president Laurie Gesell, MD and are eager for her to continue the work of the County Society. We will also hear from WMS President-Elect, Noel Deep, MD on his vision for his WMS presidency. See details below for event details and register today.

Your Waukesha CMS leadership will be engaging in strategic planning this summer and would like your input and feedback on what is important to you as members. Please complete our brief member survey and be entered into a drawing to win one of five \$20 gift cards.

WMS Leadership Program Nearing Capacity

A few openings remain for the fall leadership development program offered by the Wisconsin Medical Society.

Leading Healthy Work Systems (LHWS), provides a forum for physicians in current or emerging leadership roles to assess their work environment and identify leverage points for positive change.

The program is designed and facilitated by systems and human factors engineer Katherine Sanders, PhD. Any member interested in this unique leadership challenge is encouraged to email [Todd Wuerger](mailto:Todd.Wuerger@WMS) at WMS, or call 608-442-3749.

The fall program sessions will be held on September 23, October 21 and November 18 and will be held at the Wisconsin Medical Society offices in Madison from 9:00 am to 3:00 pm.

Physicians completing this peer-to-peer learning experience can earn up to 15.0 AMA PRA Category 1 Credits™. Tuition includes materials and meals. Registration will be capped at 15 participants.
